

Long term plan – short version – video transcript

Scene starts with the logo 'what would you do' surrounded by graphics of a number of people.

The NHS is changing and it needs your help

The number 2023 appears and is filled with coins.

By 2023 the government will invest an extra £20 billion a year
Your local NHS wants to know what you would do to make care better

A person walks through a park, past an old man and women with a baby.

How would you help people live healthier lives? From birth, to old age?
What would you do to help improve support for people?

A tablet is displayed with an appointment option on the screen.

How would you make it easier for people to take control of their own health and wellbeing?

A women stand outside a building with the words 'NHS' on them.

It's your NHS so have your say.
Talk to your local Healthwatch and help invest in the right support for you.
